Furthermore, any suspicious transactions will be reported to the relevant authorities.

12.5 Deposits made to your BangBangCasino Account should be commensurate with game play. Therefore, if in BangBangCasino's discretion, there is suspicion of abuse of the Services (for instance, where a deposited amount has not been used for an appropriate

level of game play and the Player then makes a withdrawal request in relation to that deposited amount), BangBangCasino reserves the right, in its absolute discretion, to:

Players have a variety of online withdrawal methods from which they may withdraw winnings. Players may use the following withdrawal methods: Bank Cards, Web Wallets, Wire Transfer.

All deposits/withdrawals made to/from the Player's Account shall be transferred to/from bank account/s, debit/credit card/s, wallet or any other payment options available in the Player's country, which belong solely to the Player and are in the Player's name.

13.4 Notwithstanding Clause 13.3, in order to receive your winnings via any of the Web Wallets you must first make at least one deposit using that payment method.

13.5 Notwithstanding the aforementioned, BangBangCasino shall have the exclusive right, at its absolute discretion, to make any transfer to a Player using the payment method of BangBangCasino's choice.

13.6 BangBangCasino will only process a withdrawal request from a Player after:

13.6.2 Satisfactory proof of deposit has been provided if requested by BangBangCasino.

13.6.3 BangBangCasino has checked that the Player has not made any chargeback with regards to BangBangCasino.

13.7 Withdrawal transactions will be subject to BangBangCasino carrying out a "Know Your Client" verification process to prevent money laundering. Suspicious transactions will be reported to the relevant authorities.

13.8 BangBangCasino reserves the right to carry out additional verification procedures for the following reasons:

13.8.1 When a Player deposits or stakes €/\$/£2,000 during any period of 24 hours.

13.8.2 For any payout exceeding the equivalent of €/\$/£1,000 or cumulative withdrawals exceeding €/\$/£2,330, and the right is further reserved to carry out such verification procedures in case of lower payouts. Such verifications may for example include copies of a Player's passport and/or copies of a Player's utility bills.

13.10 No withdrawal processing fees will be levied by BangBangCasino for regular withdrawal requests.

13.11 The fees for withdrawals made other than to a credit or bank card, such as any Web Wallet, will be deducted directly from the Player's Account. These fees may be dependent on factors such as the currency used in the Account or the Player's place of residence. Notwithstanding the aforementioned, it is possible that your bank or the payment solution that you use charges your Account for transaction fees. Such fees are not dependent on us and we do not assume any responsibility. Should you require further information, please contact our customer services.

13.12 Refunds will only be processed with the payment method used for deposits on the Websites.

13.13 Withdrawals available from the Websites will be made from your Account free of charge from BangBangCasino. However please note that your bank may charge for withdrawals from your Account. Please contact our customer service for any information.

13.14 Notwithstanding the aforementioned, withdrawal requests are subject to verification procedures and bonus Terms and Conditions. In the event where your Account is under investigation, we reserve the right to withhold any withdrawal request until such investigation is completed to our satisfaction. Each bonus is subject to Terms and

Conditions which are listed in promotional emails and on our Website. If a Player requests a withdrawal before the Playthrough has been entirely met, BangBangCasino will deduct the entire bonus amount as well as any winnings from the use of the bonus amount before approving any withdrawals. The maximum any customer can win per day is €/\$/£100,000, except for any wins on progressive jackpots which will be paid out in full with no limits applied. The limit referred to above will apply even if the combined maximum pay-outs for the individual casino games are in excess of €/\$/£100,000. The reason for this limitation is some games have for example free spins bonus game on which the bonus free spins can be re-triggered, and an unlimited number of times too. The maximum winnings amount is in place to limit the amount of cash a Player could win if the bonus game triggering symbols keep on spinning in during the bonus game and keep re-triggering the bonus game too.

13.15 During the process of BangBangCasino validating a withdrawal, you have the possibility to cancel your withdrawal request at any time by accessing the "Pending Withdrawals" section of "My Account". By cancelling a pending withdrawal request, the amount will be transferred back to your Player Account balance. Once the withdrawal request has been validated and the payment is made no cancellations are allowed.

13.16 The Player is allowed to withdraw funds from their Account only if their Account has not been involved in what BangBangCasino considers to constitute any suspicious activity. If suspicious activity is detected, the Account will be suspended until an investigation is carried out and any documentation required is collected from the Player. While the Account is suspended any funds on the Account will be frozen. Once the investigation is terminated, the Account may be restored to normal or it may be closed and any funds which are not in dispute, returned to the Player.

13.17 Before any withdrawals are processed, your usage of the Services will be reviewed for any irregular playing patterns. In the interests of fair gaming, equal, zero or low margin bets or hedge betting, will all be considered irregular playing patterns for bonus Playthrough requirement purposes. In the interest of fair gaming, you agree not to place any single bets on live casino or table games of 30% or more of the value of your total cash balance (excluding bonus balance) whilst having a bonus in your account. Should you place any such bet, we reserve the right to void any bonuses available to your account, withhold any withdrawals and/or confiscate all winnings.

13.18 Players who deposit via E-Wallet must bet 100% of their deposit before being able to withdraw.

13.19 Notwithstanding the aforementioned clauses, you are required to wager the value of your deposit at least 1 time for slot games and/or 5 times for tables games, including live dealer, before a withdrawal can be requested. If the turnover is not met prior to the withdrawal, BangBangCasino reserves the right at its own discretion to charge an administrative fee of 50% of the value of the withdrawal to cover all reasonable costs relating to both the deposit and withdrawal.

13.20 For players residing in Germany, in accordance with German Tax Laws, a 5% tax might be deducted from your total return on all settled bets. Please see the FAQ page for further details.
